Short Essay

Put the following events dealing with an appeal in the correct order:

- Candidate expresses disagreement
- Candidate is encouraged to be reassessed by the examiner
- If unresolved WIA Exam Service (Office) is advised
- WIA will resolve appeal within 14 days
- If no resolution is obtained, ACMA will act as an independent arbitrator

Sequence

A Sequence question requires the quiz taker to arrange the items in the required order. There is a maximum of 9 sequence items. All items must be in the proper sequence for the question.

What's in this picture?

Word Bank

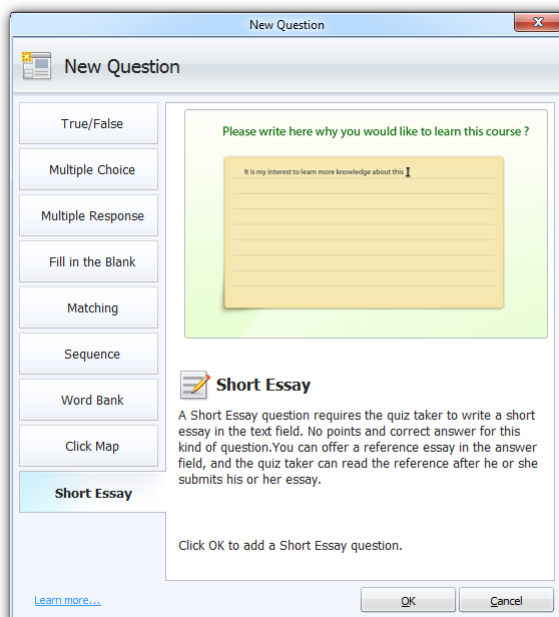

A Word Bank question enables you to create the question in cloze style, which asks the quiz taker to choose responses from a pool of choices which correspond to the blanks in the question. This kind of question may look similar to Fill in the Blank, and you need to be careful to avoid ambiguity.

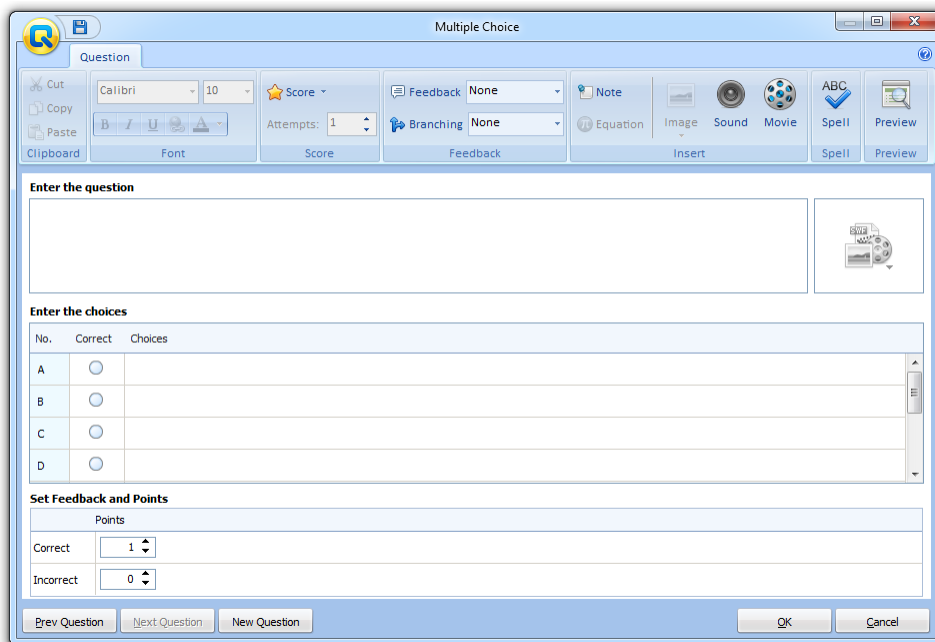

Click OK to add a Word Bank question.
