# Šablono (Templates) pasirinkimas

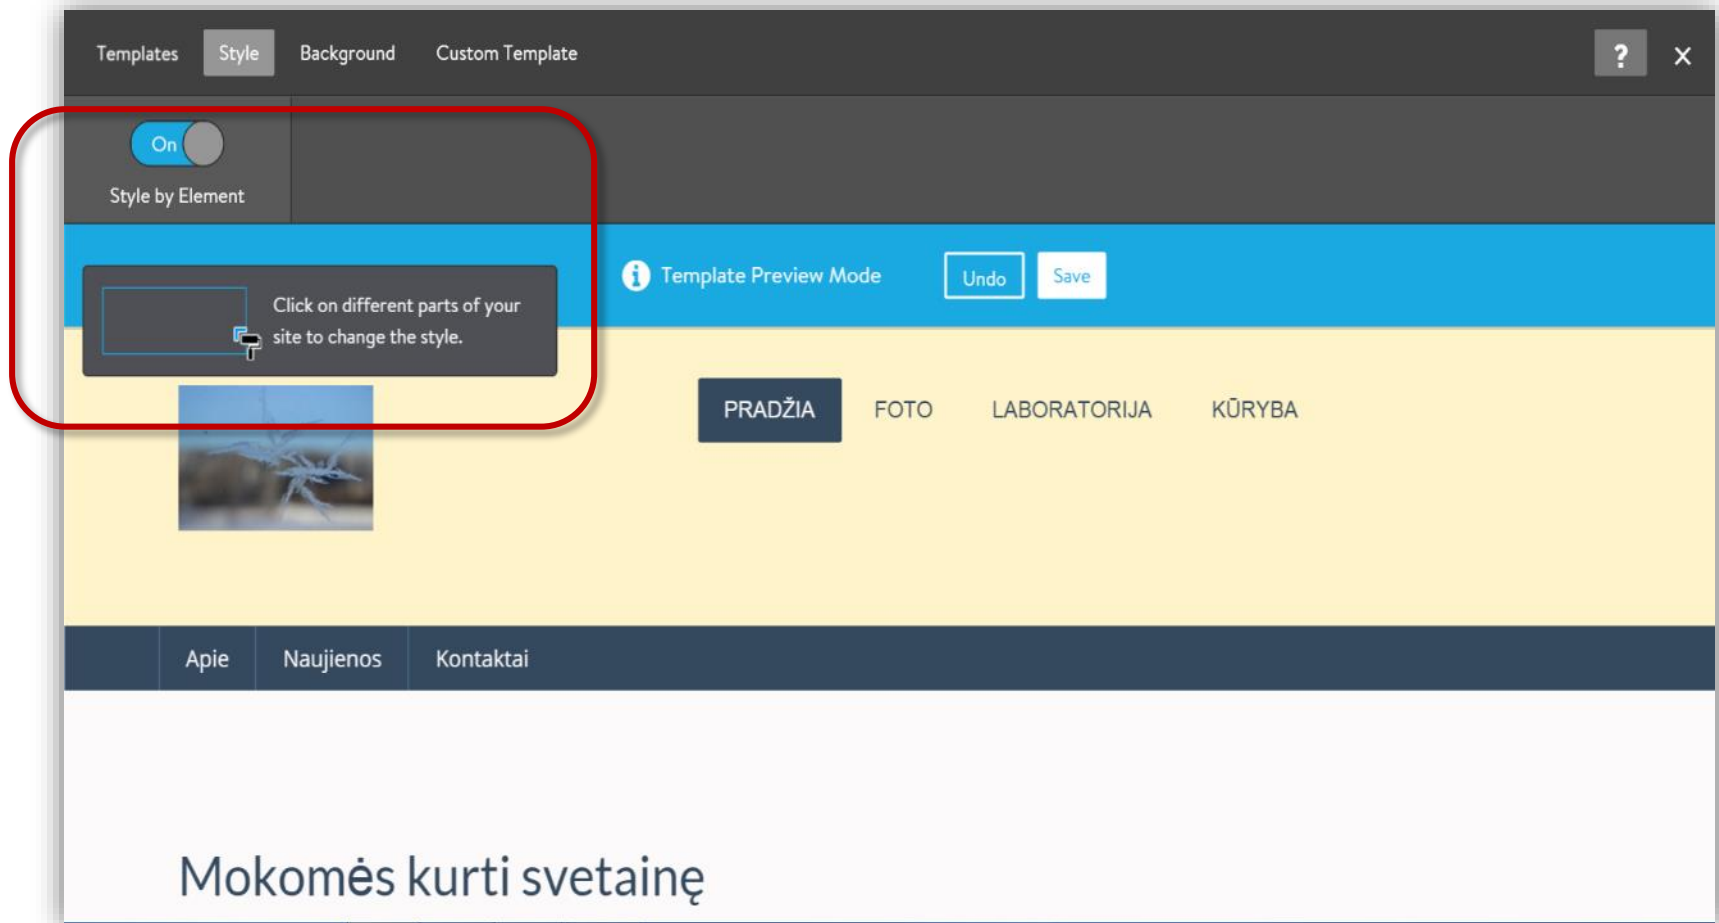

The screenshot displays the Jimdo website builder interface. At the top, there are three colored banners: orange with 'Sužinokime', green with 'Tobulèkime', and blue with 'Veikime'. Below these is a large yellow banner with the title 'Šablono (Templates) pasirinkimas'. The main interface shows a preview of a website template with a 'Logo Area' and 'Header Text' section. On the right side, there is a sidebar menu with the Jimdo logo and 'Free' text. The 'Templates' option is highlighted with a red box. Other menu items include 'View Mode', 'Log out', 'Style', 'Blog', 'Settings', 'SEO', 'Statistics', 'Partner Services', 'Help', and 'Upgrade'. Below the sidebar, there is a dark grey panel with a search bar and a question mark icon. This panel displays two template preview cards: 'Verona' and 'Vienna'. The 'Verona' card shows a layout with a logo, text, and a sidebar. The 'Vienna' card shows a layout with a header, a main content area, and a sidebar. To the right of these cards, there is a text box that reads: 'Use our Template Filter to discover new possibilities for your website. Find the perfect template.'
